Tina is anticipating there may be a cost to the banquet that the Thunder will have to pay. That amount is \$500.00, which was approved for payment.

GARY CASSON: Would like to have an open registration for the 5 on 5 passing league At the regional Sports Center in Crystal Lake, as well as a draft if there is more than 1 team. A suggestion to have a different name associated with it instead of the Thunder, which could possibly open it to more players besides Thunder Players. Jason Hoena knows 1 of the owners there and will put a call into them to set a meeting date with them to discuss next season.

Mrs. Keane asked that we send out an e-mail notice to all Thunder families requesting for volunteers for the Christmas Clearing House who needs drivers to drop gifts to families on Saturday December 17th. This was approved.

The TCYFL has sent in a request to all TCYFL teams asking for a \$150.00 donation to be given to Geoff Meyer President of the TCYFL for all of his work that he does. This was voted NO.

FIELDS: Will discuss a plan for any field improvements for next year. A couple of ideas were presented, one is having a structure out there for filming and possible PA System for announcing games and for Cheer. Will have to look into any liability Thunder might occur because of this.
